## Broad Guidelines

Evelyn Street School will promote equality and challenge racism by;

1. Exploiting opportunities to celebrate the richness and diversities of different cultures through educational visits to places of worship or using music from different cultures.

2. Exploiting opportunities through assemblies and the teaching of PSHE to deal with issues of prejudice.
3. Celebrate pupils' achievements.
4. Analysing pupils' attainment in individual subjects by ethnicity, by gender and disability.
5. Reviewing texts and publications to ensure appropriateness and inclusiveness.
6. Ensuring staff challenge all inappropriate racist comments used both in and out of lesson time.
7. Examining the content of the curriculum to eliminate the use of negative images and promote the use of positive images wherever possible.
8. The Governing Body and the Principal are committed to fair recruitment and selection of staff. The procedures are consistent with the Statutory Race Relations Code of practice in employment and other equality legislation.
9. Promoting race equality and raising achievement of all pupils is the responsibility of the whole school.
10. The Governing Body has a duty to ensure that the school fulfils its legal obligations. The Governing Body has agreed this policy and a named Governor is responsible for monitoring implementation of the policy.
11. The impact and effectiveness of the policy will be reviewed annually.
12. The Principal is responsible for the implementation of the policy and the related procedures and strategies.
13. The Principal will demonstrate through personal leadership the importance of this policy. They will ensure that all staff are aware of it and understand their roles and responsibilities.

19. A "Racial Incident Form" will be completed for any incident which occurs, whether for pupils or staff.
