---	---	---	---

Characteristics of Effective Te	eaching & Learning to be embedded through all areas of learning creating powerful learners and thinkers
Playing & Exploring	<ul> <li>Realise that their actions influence the world, so they want to keep repeating them.</li> <li>Plan and think ahead about how they will explore or play with objects.</li> <li>Guide their own thinking and actions by talking to themselves while playing. For example, a child doing a jigsaw might whisper under their breath: "Where does that one go? – I need to find the big horse next."</li> <li>Make independent choices.</li> <li>Do things independently that they have been previously taught.</li> <li>Bring their own interests and fascinations into early years settings. This helps them to develop their learning.</li> <li>Respond to new experiences that you bring to their attention.</li> </ul>
Active Learning	<ul> <li>Participate in routines, such as going to their cot or mat when they want to sleep.</li> <li>Begin to predict sequences because they know routines. For example, they may anticipate lunch when they see the table being set, or get their coat when the door to the outdoor area opens.</li> <li>Show goal-directed behaviour. For example, babies may pull themselves up by using the edges of a low table to reach for a toy on top of the table. Toddlers might turn a storage box upside down so they can stand on it and reach up for an object.</li> <li>Begin to correct their mistakes themselves. For example, instead of using increasing force to push a puzzle piece into the slot, they try another piece to see if it will fit.</li> <li>Keep on trying when things are difficult.</li> </ul>

Thinking and Creating Critically	or 'drink' fro Sort materia baskets.	a simple pretend play. For example, they might use an om a pretend cup. als. For example, at tidy-up time, children know how to r progress as they try to achieve a goal. Check how w	o put different construction materials in separate						
	ween three friends, they might put one in front of at the end that everyone has the same number								
		d play to think beyond the 'here and now' and to under the billy goats gruff might suggest that "Maybe the tro							
		, so feel confident about coming up with their own idea							
	<ul> <li>Concentrate on achieving something that's important to them. They are increasingly able to control their attention and ignore distractions.</li> </ul>								
<b>COMMUNICATION &amp; LANGUAGE</b>	E:  Listening, Atte	ention & Understanding □ Speaking – Weaved throug	hout the whole of the EYFS curriculum						
role play, where children share their ideas with a language structures. Autumn	support and modelling fr	rtunities to use and embed new words in a range of contexts, will give child om their teacher, and sensitive questioning that invites them to elaborate, Spring							
Learning Priorities: Linked to Dev	velopment Matters	2021	1						
<ul> <li>Listening, Attention and Understand</li> <li>Pay attention to one thing at a time</li> <li>⇒ Listen 1:1 to develop independence w</li> <li>⇒ Participate in short multi-sensory Key</li> <li>Enjoy listening to stories and begin to remhappens</li> <li>⇒ Listen to short stories with illustrations</li> <li>⇒ Recall key events / name key character</li> <li>⇒ Begin to join in text retell - repeated removes</li> <li>⇒ Collow an instruction with one part</li> <li>⇒ Linked to: □ daily routine □ Key Person</li> <li>⇒ Special events: Autumn walk</li> <li>Understand simple questions about 'who', '</li> </ul>	vithin daily routine Person group time member much of what s / props / sounds ers efrains / some actions	<ul> <li>Listening, Attention and Understanding</li> <li>Enjoy listening to stories &amp; remember much of what happens</li> <li>⇒ Participate in small story group times</li> <li>⇒ Through questioning recall key story events</li> <li>⇒ Join in with simple text retelling using actions / words</li> <li>Begin to shift attention from one thing to another when needed and given a prompt</li> <li>Begin to understand and follow a two-part instruction</li> <li>⇒ Linked to: □ daily routine □ child-initiated learning</li> <li>Understand some 'why' questions</li> <li>⇒ Within child-initiated learning</li> </ul>	<ul> <li>Listening, Attention and Understanding</li> <li>Enjoy listening to longer stories (with increased attention) and can remember much of what happens</li> <li>⇒ Can answer a range of questions (who, what, where and why) with relevant comments. # Evelyn Street Primary School – Personal, Social & Emotional Development PSHE progression through EYFS with links to Physical Development & Understanding the World

Educational Programme: Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interaction with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life

#### Early Learning Goals – PSE

Self-regulation: Show an understanding of their feelings & begin to regulate their behaviour accordingly Set & work towards simple goals, being able to wait for what they want & control their immediate impulses when appropriate Give focussed attention to what the teacher says, responding appropriately even when engaged in activity, & show an ability to follow instructions involving several ideas or actions Managing Self Be confident to try new activities & show independence, resilience & perseverance in the face of challenge Explain the reasons for rules, know right from wrong & try to behave accordingly Manage own basic hygiene & personal needs, including dressing, going to the toilet & understanding the importance of healthy food choices

Building Relationships = Work & play cooperatively & take turns with others = Form positive attachments to adults & friendships with peers = Show sensitivity to their own & other's needs

Focus	Health and Well-Being	Relationships	Living in the Wider World	Vocabulary- To be used daily
Nursery Skills, Knowledge & Understanding	<ul> <li>Enjoy a sense of belonging through being involved in:          <ul> <li>key person group time</li></ul></li></ul>	<ul> <li>safe context of their setting</li> <li>Develop appropriate ways of being assertive</li> <li>Talk with others and help to solve conflicts</li> <li>Be able to recognise the impact of own choices and behaviours/actions on others and knows that some actions and words can hurt others' feelings</li> <li>Show interest in the lives of people who are familiar</li> </ul>	<ul> <li>&amp; membership of a nursery / school / local community</li> <li>Increasingly follow rules,</li> </ul>	Rules Danger Healthy/ Unhealthy Exercise Same/ Different Needs Wants Happy/ Sad

	<ul> <li>Be increasingly independence of the care needs, e.g., brush toilet, washing &amp; drying hat</li> <li>Make healthy choices about the cost house of the cost house</li></ul>	ing teeth, using the ands	Engage i	in daily Hand Massage		behaviour in favourable conditions Caring for the environment – highlighted in Forest School experience				
Learning Outcomes	Autumn 1 Colours and feelings	Autumn 2 Families and Celebration	ions	<b>Spring 1</b> Traditional Tales		<b>ing 2</b> nd changing		Summer 1 People Who Help Us	5	Summer 2 Wild Animals / Zoo
	<ul> <li>routine</li> <li>⇒ Establishing positive relapeers</li> <li>⇒ Developing independence own coat / feeding self at</li> <li>⇒ Explore the learning independence and with in</li> <li>⇒ Is happy to try new activiti</li> </ul>	g environment develo terest es imilarities and differences	and ng on ⇔ ⇔ opping ⇔	Shows independence thr fastening own coat, using resources after use Can engage in group activit Can follow the rules of the Can say sorry when they ha Can say when they are hur	outdoor clothing ies and turn take classroom ave made a wron	, tidying away with resources	17 17 17 17 17		kes a go differen d drinks	ood friend ices between healthy and s and begin to talk about the

□ Children to be exposed to key vocabulary daily in provision. □ High quality text to be chosen for story times that allow for questioning opportunities relating to key events. □ Classroom displays will display visual timetable and pictorial behavioural expectations. □ Classrooms will provide quiet areas within their provision for children to have some 'me time'. □ Children will be encouraged to talk about their feelings and emotions throughout the day. □ Classrooms will promote and celebrate positive behaviour. Hand Massage will offer positive touch opportunities

#### Evelyn Street Primary School – Physical Development (Gross Motor Skills)

#### PD progression through EYFS with links to PD (Fine Motors Skills / Expressive Arts & Design – Creating with Materials

Educational Programme: Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practise of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.

ELG: Gross Motor Skills 
Negotiate space & obstacles safely, with consideration for themselves & others 
Demonstrate strength, balance & coordination when playing 
Move energetically, such as running, jumping, dancing, hopping, skipping & climbing

ELG: Fine Motor Skills - Hold a pencil effectively in preparation for fluent writing-using the tripod grip in almost all cases - Use a range of small tools, including scissors, paint brushes and cutlery - Begin to show accuracy and care when drawing

Focus	Gymnastics movements	Basic Movement and Dance Fine Motor Skills		Health and Self Care	Vocabulary To be used daily	
Nursery Skills, Knowledge & Understanding	<ul> <li>Can balance on one foot or in a squat momentarily, shifting body weight to improve stability</li> <li>Walks down steps or slopes, using alternate feet, maintaining balance &amp; stability</li> </ul>	<ul> <li>Can grasp &amp; release with two hands to throw &amp; catch a large ball, beanbag or object</li> <li>Run with spatial awareness &amp; negotiate space successfully, adjusting speed or direction to avoid obstacles</li> <li>Develop movement, balancing, riding</li> </ul>	<ul> <li>Increasingly able to use &amp; remember simple sequences of movements which are related to music &amp; rhythm</li> <li>Use large muscle movements to wave flags &amp; streamers etc</li> </ul>	<ul> <li>Use one-handed tools &amp; equipment</li> <li>Use a comfortable grip with good control when holding pens &amp; pencils</li> <li>Eat independently</li> </ul>	<ul> <li>Be increasingly independent getting dressed &amp; undressed</li> <li>Take care of majority of own care needs within daily routine</li> <li>Develop an awareness of risk</li> <li>Observe &amp; describe in words or actions the</li> </ul>	Follow, lead, copy, gallop, slither, crawl, kick, catch, throw, push, pat, slither, shuffle, roll, crawl, walk, run, hop, slide, squat, climb, land, stand, jump, balance, space, race, chase, speed, direction, obstacles, stretch, strong, firm, gentle, heavy, floppy

		(scooters, trikes & bikes) skills			effects of physical ac on their bodies	
Learning Outcomes	game like musical statues Know how to climb up equipment using alternate Know how to crawl, walk & Know how to push, roll & I Know how to throw and ca Know how to move a large	on one leg & hold a pose for a stairs, steps & move across feet & run across a low plank bounce a large ball atch a large ball	<ul> <li>⇒ Know how to skip, gallop, s</li> <li>⇒ Begin to match movements</li> </ul>	scle movements to wave flags & aper with scissors inant hand pencil in a tripod grip	<ul><li>⇒ Know the importance</li><li>⇒ Know that equipment</li></ul>	a coat & fasten a coat e and how to brush teeth t & tools need to be handled safely hanges that happen to the body after

Children in nursery will have lots of opportunities to reinforce their developing physical skills through: 
High quality outdoor learning space with a focus on large and multi-sensory experiences
P.E (Physical Education) lesson with a coach 
Weekly Forest School sessions
Yoga Balance bikes

#### Evelyn Street Primary School – Literacy Reading (Comprehension and Word Reading)

#### English with links to Expressive Arts and Design / Being Imaginative & Expressive

Educational Programme: It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).

#### **ELG: Comprehension**

Demonstrate understanding of what has been read to them by retelling stories & narratives using their own words & recently introduced vocabulary Anticipate, where appropriate, key events in stories Use & understand recently introduced vocabulary during discussions about stories, non-fiction, rhymes & poems & during role-play

#### ELG: Word Reading

■ Say a sound of each letter in the alphabet & at least 10 digraphs ■ Read words consistent with their phonic knowledge by sound-blending ■ Read aloud simple sentences & books that are consistent with their phonic knowledge including some common exception words

Focus	Decoding	Range of Reading	Familiarity with text	Poetry and	Word Meaning	Understanding	Predication	Discussing Reading
				performance		and Inference		

Nursery Skills, Knowledge & Understanding	<ul> <li>Understand print has meaning, can have different purposes, we read English text from left to right &amp; from top to bottom</li> <li>Name the differen parts of books &amp; page sequencing</li> <li>Count or clap syllables in a word Recognise familia words and signs such as own name advertising logos and screen icons</li> <li>Recognise words with the same initi sound</li> </ul>	illu wo dig wo env - Loo boo ind	ow interest in strations and irds in print and jital books and irds in the vironment oks at and enjoys nt and digital oks lependently	<ul> <li>and anticipat events and pl in rhymes stories</li> <li>Begin to be of the way s are structured to tell own sto</li> <li>Be able to</li> </ul>	hrases and aware stories d, and ories o talk amiliar	<ul> <li>Sing to self and makes up simple songs</li> <li>Spot &amp; suggest rhyme</li> <li>Create sounds, movements, drawings to accompany stories</li> <li>Sing a large repertoire of songs</li> </ul>	-	Build up vocabulary that reflects the breadth of their experiences Engage in extended conversations about stories, learning new vocabulary	e h • L	Jse talk to xplain what appening Jnderstand rhy and how uestions		nd ts • al es w •	Listen to others in one-to- one or small groups, when conversation interests them Listen to familiar stories with increasing attention and recall Be able to express a point of view & to debate when they disagree
Learning Outcomes	Autumn 1       Autumn 2         Colours and feelings       Families and Celebrations         Image: Colours and the pictures in a book       Can sequence a story using a small number of visual images         Image: Colours and anyme and match rhyming words together       Can continue a rhyme and match rhyming words together         Image: Colours and answer simple questions       Join in with foundational phonics activities         Image: Independently handle a book carefully       Recognise own name		111111	Can read own name in o Can sequence events fr Can name the character and bad characters Can use the words 'bu describe story structure. Can answer 'who', 'what	Growing and changing       People Who Help Us       Wild Animals         VC words       ⇒       Can orally blend CVC words         ojects with the same initial sounds       ⇒       Group words/objects with the same initial sounds         different contexts       ⇒       Can predict what might happen next in stories         rom familiar traditional tales       ⇒       Know five key concepts of print         rs and differentiate between good       ⇒       Can clap and count syllables with 2,3,4 syllable wor         ceginning', 'middle' and 'end' to       ⇒       Can re-tell an unfamiliar text independently using im         c.       ⇒       Develop confidence and knowledge within state			title, front cover, back cover 2,3,4 syllable words. endently using images. vledge within Set 1 RWI					
Children: □ to be	exposed to key vocabu	lary and qua	lity texts within al	l areas of the provi	⇒ ⇒	Can use a book with cor Know the difference bet will become familiar with	ween	illustration and wo	ord	w	ords		wledge to read some CVC

Children:  $\Box$  to be exposed to key vocabulary and quality texts within all areas of the provision  $\Box$  will become familiar with text structure, characters and key vocabulary through well planned continuous provision all linked to a quality key text  $\Box$  will have a balance of fiction and non-fictions texts to support learning  $\Box$  literacy and phonics inputs where concepts about print and book handling skills will be modelled  $\Box$  Access to a quality reading curriculum.

# Evelyn Street Primary School – Literacy Writing

# English with links Communication & Language and Physical Development (Fine Motors Skills)

Educational Programme: It is crucial for children to develop a life-long love of reading. Reading consists of two dimensions: language comprehension and word reading. Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together. Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words. Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing).

**ELG: Writing** 

Write recognisable letters, most of which are correctly formed Spell words by identifying sounds in them and representing the sounds with a letter or letters Write simple phrases and sentences that can be read by others.

• Hold a pencil effectively in preparation for fluent writing-using the tripod grip in almost all cases • Use a range of small tools, including scissors, paint brushes and cutlery • Begin to show accuracy and care when drawing

Focus		
	Composition	Transcription
	(Articulating ideas and structuring them into speech, before	(Spelling and Handwriting)
	writing)	

Nursery Skills, Knowledge & Understanding	<ul> <li>See Communication &amp; Language</li> <li>Ascribe meaning to signs, symbols and words that are see in different places, including those they make themselves</li> <li>Distinguish between different made marks</li> <li>Break the flow of speech into words, developing: □ oral rehearsal □ memory, holding a word / caption / short sentence to: (i) dictate to an adult what to write (ii) write using marks / symbols and known letters</li> <li>Give meaning to marks <ul> <li>Label using a range of vocabulary</li> <li>Compose sentences using 6+ words and begin to use connectives</li> </ul> </li> <li>Engage in a range of purposeful mark making / early writing, beginning to understand audience, purpose and form e.g., shopping list / telephone message / label for model to be displayed</li> <li>Write own name, from memory, with majority of letters correctly formed</li> </ul>	<ul> <li>Fine Motor Skills</li> <li>Develop fine motor / in hand manipulation <ul> <li>Manipulate a range of tools and equipment/one handed tools including paintbrushes, scissors, toothbrush, scarves/ribbons</li> </ul> </li> <li>Engage in a variety of large multi-sensory mark making activities: (i) drawing lines / circles (ii) name writing (iii) initial GPC linked to texts / RWI</li> <li>Develop correct pencil grip</li> <li>Draw lines and circles using smaller movements on paper</li> <li>Write name with some recognisable letters, majority correctly formed on paper</li> <li>Begin to form additional recognisable letters linked to interest / focus text. For example: friend / family / main character names</li> <li>Hear initial phoneme in own name and begin to hear some others</li> <li>Begin to make letter type shapes to represent the initial sound of other familiar words</li> </ul>	<ul> <li>Concepts about Print</li> <li>Show an awareness that print carries meaning</li> <li>Distinguish between picture / illustration and print / writing</li> <li>Understand directionality of print</li> <li>Know where to start writing: □ top to bottom □ left to right</li> <li>Imitates adults' writing by making continuous lines and shapes and symbols from left to right and top to bottom</li> <li>Use some print and letter knowledge in mark marking / early writing and ascribe meaning</li> </ul>	<ul> <li>Phonics</li> <li>Participate in foundational phonics activities</li> <li>Hear initial phoneme in own name and begin to hear some others</li> <li>Develop confidence and knowledge within Set 1 RWI sounds</li> <li>Begin to apply early phonic knowledge to write some initial phonemes in words when writing</li> </ul>
Learning Outcomes	Autumn 1       Autumn 2         Colours and feelings       Families and Celebrations             Can use large and small motor skills to develop increasing independence-manage buttons, zips, Velcro fastenings on shoes, pour drinks.             Choose and use one handed tool with intention (musical instruments, jugs, hammers, mark making tools)             Find their name card (with photograph in first instance)             With support begin to hold pencil correctly             When prompted by a practitioner, make marks on pictures to represent own name             Write initial letter of own name independently	Spring 1 Traditional Tales         Spring 2 Growing and changing           ⇒         Begin to use hold pencil correctly independently           ⇒         Talk about made marks using simple sentences           ⇒         Add some marks to their pictures which they give meaning to (e.g.," That's my mummy!")           ⇒         Use print and letter knowledge to 'write' items to support their play (list, spell, labels for map/construction/forest school)           ⇒         Can write some letters accurately           ⇒         Can write their name using a name card with accurately formed letters / beginning to develop skills independently without use of name card           ⇒         Beginning to mark make / write with correct directionality, left to right	<ul> <li>➡ Talk about made marks (incl (known letters) using longer se</li> <li>➡ Begin to write some initial sour labelling</li> </ul>	own name independently luding symbols) / early writing entences with some connectives

Children to be constructed to a range of tools, including left-handed scissors, within all areas of the provision constructed and motivated to mark make / write through opportunities provided in a range of ways (clipboards, notepads, different paper -coloured, lined, thematic frames) including a range of crayons, pencils, pens, chalks throughout the environment. Constructed to mark make / write through opportunities provided in a range of ways spontaneous learning opportunities. Constructed to mark make / write through opportunities provided in a range of ways spontaneous learning opportunities. Constructed the environment of fine motor skills with planned provision for small muscle coordination (hands and fingers) with resourcing to include threading, scissors, paint brushes, cutlery for snack/lunch, collage, small world etc. Daily dough disco to support manipulation.

#### **Evelyn Street Primary School- Number and Number Patterns**

## Maths progression through EYFS

Educational Programme: Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently, develop a deep understanding of the numbers to 10, the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives, including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics, look for patterns and relationships, spot connections, 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.

#### ELG: Number

Have a deep understanding of number to 10, including the composition of each number Subitise (recognise quantities without counting) up to 5 Automatically recall (without reference to rhymes, counting or other aids) number bonds up to 5 (including subtraction facts) and some number bonds to 10, including double facts

#### **ELG: Numerical Patterns**

• Verbally count beyond 20, recognising the pattern of the counting system • Compare quantities up to 10 in different contexts, recognising when one quantity is greater than, less than or the same as the other quantity • Explore and represent patterns within numbers up to 10, including evens and odds, double facts and how quantities can be distributed equally

Focus	Place value: Counting	Place value: Represent		value: Use and compare		lition and subtraction; ecall, represent, use	Ad	dition and subtraction: Calculation	Addition and subtraction: Solve problems
Nursery Skills, Knowledge & Understanding	<ul> <li>Enjoy counting verbally as far as they can go</li> <li>Point or touch (tag) each item, saying one number for each item, using the stable order of 1,2,3,4,5</li> <li>Use some number names and number language within play, and may show fascination with large numbers</li> </ul>	<ul> <li>Begin to recognise numerals 0 to 10</li> <li>Subitise one, two and three objects (without counting)</li> <li>Link numerals with amounts up to 5 and maybe beyond</li> </ul>	objec there numb group	os of up to five ots, saying when	<ul> <li>Count to five items, recognising that the last number said represents the total counted so far (cardinal principle)</li> <li>Ascribe mathematical meaning to own marks</li> </ul>		<ul> <li>Through play and exploration, begin to learn that numbers are made up (composed) of smaller numbers</li> <li>Begin to recognise that each counting number is one more than the one before</li> </ul>		<ul> <li>Begin to use understanding of number to solve practical problems in play and meaningful activities</li> <li>Separate a group of three or four objects in different ways, beginning to recognise that the total is still the same</li> </ul>
Learning Outcomes	Autumn 1 Colours and feelings	Autumn 2 Families and Celeb	orations	<b>Spring 1</b> Traditional Tal	es	Spring 2 Growing and changing		Summer 1 People Who Help Us	Summer 2 Wild Animals / Zoo
	<ul> <li>⇒ Engage in open-e correspondence e.g., d</li> <li>⇒ Participate in number represent numbers</li> <li>⇒ Count by rote from 1-5</li> <li>⇒ Identify a small set that</li> </ul>	fingers to	<ul> <li>⇒ Count accurately using 1-1 correspondence for numbers 1-3</li> <li>⇒ Identify some representations of numbers 1,2,3,</li> <li>⇒ Begin to subitise 1-3</li> <li>⇒ Match objects to numerals using 1-3</li> <li>⇒ Count by rote to 10</li> </ul>			<ul> <li>⇒ Count forwards and backwards</li> <li>⇒ Count accurately using 1- correspondence for numbers 1-5</li> <li>⇒ Find 1 more and 1 less than a number between 1 and 5</li> <li>⇒ Begin to subitise to 5</li> <li>⇒ Recognise and order numbers 1-5+</li> </ul>

#### Evelyn Street Primary School - UW- Past and Present/ The World

#### **History** progression through EYFS

**Educational Programme:** Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.

#### ELG: UW / Past and Present

Talk about the lives of the people around them & their roles in society Know some similarities & differences between things in the past & now, drawing on their experiences & what has been read in class

Understand the past through settings, characters & events encountered in books read in class & storytelling

Focus		Chronological understanding	g	Historical Enqu	iry		Knowledge	& In	terpretation		Con	nmunication	Vo	cabulary- To be used daily.
Nursery Skills, Knowledge & Understanding	•	Retell past events in corr order Use talk to connect ide explain what is happening a anticipate what might happ next, recall and relive p experiences Remember & talk ab significant times or events family & friends Begin to make sense of own I story & family's history	& give explanationsgrowth, decay and changes over timequestions about aspects of the familiar world such as the place where I live or the natural world• Understand why and how might happen d relive past talk about or events for• Asks who, what, when & how• Breserve memories of special events e.g., make a book, video, photos• Growth, decay and changes over time• Growth, decay and changes over time• Asks who, what, when & how• Asks who, what, when & how• Preserve memories of special events e.g., make a book, video, photos• Share stories about people from the past who have an influence on the present					such as: I can see, I saw, same, different, change, what happened? Why? because						
Learning Outcomes	Î         I         I	routine with support of visuals Describe special events such as a birthday/ day out/ first day at school by looking at images. Learning	Autumn 1 Colours and feelings	Autumn 2 Families and Celebrations	Spring 1 Traditional Tales	Spring 2 Growing and changing	Summer 1 People Who Help Us	Summer 2 Wild Animals / Zoo			
Outcomes	<ul> <li>Make snips in paper using a two-handed scissor grip.</li> <li>Use glue to join pieces</li> </ul>	<ul> <li>Use a range of tools- rolling pin, cutters, extruders, scissors, hole punch, Sellotape dispenser independently.</li> <li>Build a representation of own home using a mixture of materials.</li> </ul>	<ul> <li>Use a variety of different materials to create a variety of different transport such as a boat, plane, helicopter</li> </ul>	<ul> <li>Use a range of materials to join, glue, string, cotton, Sellotape</li> <li>Make own designs from junk modelling materials</li> <li>Match animals to the food they produce</li> <li>Know that some food is grown from plants and trees – vegetable / fruit</li> </ul>	Explain what healthy and unhealthy means.	<ul> <li>Use a range of tools- rolling pin, cutters, extruders, scissors, hole punch, Sellotape dispenser independently and with accuracy</li> <li>Create animal habitats using a range of different materials and textures and explain their choices.</li> </ul>			

□ Children to be exposed to key vocabulary daily in provision. □ High quality resources will be provided for daily accessibility. □ Playdough/ Malleable/Art/building/small world and outdoor provisions and Forest School will provide a wealth of opportunity. □ Resources will be enhanced and developed as children develop their skill set.

## Evelyn Street Primary School - Expressive Arts and Design - Creating with Materials

#### Art progression through EYFS

Educational Programme: The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.

#### ELG – EAD: Creating with Materials

Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function Share their creations, explaining the process they have used Make use of props and materials when role-playing characters in narratives and stories

Focus	Drawing	Painting		Texture and collage	Explore	Vocabulary

# Evelyn Street Primary School – EAD - Creating with Materials and Being Imaginative

#### **MUSIC** progression through EYFS

Educational Programme: The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe.

#### ELG: EAD / Creating with Materials and Being Imaginative

Sing a range of well-known nursery rhymes & songs = Perform songs, rhymes, poems & stories with others, & - when appropriate – try to move in time with music

Focus	Singing	Listening	Composing	Performing	Vocabulary- To be used daily.
Nursery Skills, Knowledge & Understanding	<ul> <li>Remember and sing famili songs e.g., pop songs all rhymes.</li> <li>Sing exploring different pitch</li> </ul>		<ul> <li>s how to create &amp; use sounds intentionally</li> <li>Create own songs, or improvise a song around one they know</li> <li>&amp; s</li> </ul>	<ul> <li>Engage in domestic role play – re-enacting every day events / celebrations</li> <li>Participate in role play linked to focus texts / themes</li> <li>Remember &amp; sing familiar songs e.g., pop songs, rhymes</li> <li>Taps out simple repeated rhythms</li> <li>Create sounds to accompany stories</li> <li>Play instruments with increasing control to express their feelings &amp; ideas</li> </ul>	Fast/slow Loud/quiet Song/sing
Learning Outcomes	Autumn 1         Colours and feelings         ▷       Can sing a range of familiar nursery rhymes         ▷       Show interest in domestic role play using resources purposefully         ▷       Show interest in small world play using resources purposefully         ▷       Show interest in small world play using resources purposefully	Can sing a range of familiar nursery rhymes with actionsBeg ope dom sma dev familiar family eventsEngage in domestic role play, re-enacting some familiar family eventssma dev dev linkeEngage in small world play, re-enacting some familiar eventsCan with can use props as they sing (nativity)can move in time to	atively within and mirror the estic role play and others.	changing         People Who Help L           ng to songs         ⇔         Can create their	own       ⇒       Can sing along to a range or songs.         isic.       ⇒       Use musical instruments to express feelings.

# **Evelyn Street Primary School – Understanding the World**

#### **COMPUTING** progression through EYFS

**Educational Programme:** Understanding the world involves guiding children to make sense of their physical world and their community. The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension.

#### ELG – N/A

Focus	Electronic Communication Understanding Technologies	Text and Multimedia	Research and E-Safety	Digital images and audio	Algorithms Handing information	Vocabulary- To be used daily.
Nursery Skills, Knowledge & Understandi ng	<ul> <li>Shows an interest in technological toys with</li> <li>knobs or pulleys, real objects such as cameras, and touchscreen devices such as mobile phones and tablets</li> </ul>	<ul> <li>Knows how to operate simple equipment, e.g., turn on CD player, uses a remote control, can</li> <li>navigate touch-capable technology with support</li> </ul>	<ul> <li>Know how to handle equipment safely</li> <li>Begin to know that they shouldn't use devices without supervision</li> </ul>	<ul> <li>Knows that information can be retrieved from digital devices and the internet</li> </ul>	<ul> <li>Shows skill in making toys work by pressing parts or lifting flaps to achieve effects such as sound, movements or new images</li> </ul>	Choices, equipment, buttons, movement, screen, keyboard, count, organise
Learning Outcomes	Autumn 1 Colours and feelings	Autumn 2 Families and Celebrations	Spring 1 Traditional Tales	Spring 2 Growing and changing	Summer 1 People Who Help Us	Summer 2 Wild Animals / Zoo
	<ul> <li>⇒ Explore different toys in role play such as telephones, cameras, keyboards.</li> <li>⇒ Know not to touch the teacher's computer without supervision</li> </ul>	<ul> <li>⇒ Can operate a simple CD player by pressing start and stop to play music</li> <li>⇒ With practitioner support explore         <ul> <li>Tilt and Touch Table</li> <li>Interactive White Board</li> </ul> </li> </ul>	'google' by typing in a	<ul> <li>⇒ Can use a simple I board touch programme to draw a picture by changing tools and colours using the on-screen options</li> <li>⇒ Complete simple programmes using         <ul> <li>Tilt and Touch Table</li> <li>Interactive White Board</li> </ul> </li> </ul>	⇒ Can operate simple games on the iPad and know to open and end a programme.	<ul> <li>⇒ Can type their name on a keyboard by finding the letters of their name.</li> <li>⇒ Complete increased range of programmes using         <ul> <li>Tilt and Touch Table</li> <li>Interactive White Board</li> </ul> </li> </ul>

□ Children to be exposed to key vocabulary daily in provision. High quality resources will be provided for daily accessibility. □ Role-play areas will be a key area where a range of technologies will be used in play- telephones, microwaves, cookers, keyboards, televisions, CD player.
