ENGLISH NATIONAL CURRICULUM BLOCKED LEARNING

Key Learning: WORD READING

Phonics (GPC)

- Apply phonic knowledge & skills as the route to decode words [until automatic decoding has become embedded and reading is fluent](#)
- Respond speedily with the correct sound to graphemes (letters or groups of letters) for all 40+ phonemes, including, where applicable, alternative sounds for graphemes
- Read accurately by blending sounds in unfamiliar words containing GPCs that have been taught [and begin to recognise alternative sounds for graphemes](#)

Syllables

- Read other words of more than one syllable that contain taught GPCs
- [Read accurately words of two or more syllables that contain the same graphemes as above](#)

Common Exception Words

- Read common exception words, noting unusual correspondences between spelling & sound and where these occur in the word

Word endings

- Read words containing taught GPCs and –s, –es, –ing, –ed, –er and –est endings
- [Read words containing common suffixes](#)

Contractions

- Read words with contractions [for example, I'm, I'll, we'll], and understand that the apostrophe represents the omitted letter(s)

N.B. Also refer to application of spelling rules & guidance, as listed in English Appendix 1

Accuracy, pace, and fluency

- Read aloud accurately books that are consistent with their developing phonic knowledge and that do not require them to use other strategies to work out words ([sounding out unfamiliar words accurately, automatically and without undue hesitation](#))
- Re-read these books to build up their fluency and confidence in word reading.
- [Read most words quickly and accurately, without overt sounding and blending, when they have been frequently encountered](#)

ENGLISH NATIONAL CURRICULUM BLOCKED LEARNING

Key Learning: WRITING TRANSCRIPTION

Name the letters of the alphabet:

- naming the letters of the alphabet in order
- using letter names to distinguish between alternative spellings of the same sound

Spelling applying GPC:

- words containing each of the 40+ phonemes already taught
- by segmenting spoken words into phonemes and representing these by graphemes, spelling many correctly
- by learning new ways of spelling phonemes for which one or more spellings are already known, and learn some words with each spelling, including a few common homophones (distinguishing between homophones and near-homophones)

Spelling common exception words:

- learning to spell common exception words
- the days of the week

Spelling applying apostrophes:

- words with contracted forms
- learning the possessive apostrophe (singular e.g. 'the girl's book')

Spelling words by adding prefixes and suffixes:

- using the spelling rule for adding -s or -es as the plural marker for nouns and the third person singular marker for verbs
- using the prefix un- - using -ing, -ed, -er and -est where no change is needed in the spelling of root words [for example, helping, helped, helper, eating, quicker, quickest]
- add suffixes to spell longer words, including -ly

N.B. Also refer to application of spelling rules & guidance, as listed in English
