

Medium Term Plan: Supporting Implementation of LTP/Progression Grid

Subject: KS1 Year B– Kwik Cricket

Key Concept- Concepts: Joy of movement, personal challenge, building resilience, Critical thinking, and action.

POS aims from NC:

Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.

Pupils should be taught to:

- Master basic movements including running, jumping, throwing, and catching, as well as developing balance, agility, and co-ordination, and begin to apply these in a range of activities.
- Participate in team games, developing simple tactics for attacking and defending.

Perform dances using simple movement patterns.

Prior Learning (what pupils already know and can do)

- Pupils will know how to catch a ball after one bounce.
- Pupils will know how to work well with other and within a defined space.
- Pupils will know how to throw the ball using over arm and under arm.

Future learning this content supports:

This unit will support future subjects in LKS2. Pupils will be able to transfer skills into the summer 2 term when pupils will be looking at Disk golf and Skittle bowl. Pupils will know how to bowl underarm and at a target and be able to play modified games encouraging teamwork.

Cross Curricular Links: Literacy (key words), Citizenship (sportsmanship & cooperation), Science (muscle names, bodily functions, and healthy lifestyle consequences), Math's (measuring distances, collating data & comparing recordings against other bests).
