Future learning this content supports:

This unit will support further subjects in UKS2. Pupils will focus on how to use basic principles of attack and defence to plan strategy and tactics for tag rugby. Pupils will work on improving the quality of their skills with the intention of outwitting opponents. In all games activities, pupils think about how to use skills, strategies, and tactics to outwit the opposition.

**Cross Curricular Links:** Literacy (key words), Citizenship (sportsmanship & cooperation), Science (muscle names, bodily functions, and healthy lifestyle consequences), Math's (measuring distances, collating data & comparing recordings against other bests).
