

Evelyn Street Primary School

MUSIC

Our Intended Curriculum

Music

As we support a diverse community that can face social and economic challenges, we have designed a curriculum to respond to the school's context, giving rich knowledge and experiences that some of our children may not naturally access, while still operating within the framework that our Multi Academy Trust has developed with all our stakeholder schools.

So, in relation to music, we have taken note that our school operates within an area where the challenges faced mean that the children often miss out on certain experiences, such as seeing and performing in live performances.

Therefore, we have enriched our curriculum with a musical specialist from Presto who carries out music and instrumental lessons alongside the class teacher to allow the children and staff to access/provide an ambitious curriculum where the children learn instruments and are given opportunities to record a performance at the end of each unit of work.

In addition, we have introduced a musical theatre teacher to complement our music curriculum by allowing further opportunities to take part in live performances for their families and to enhance the singing element of the curriculum.

Evelyn Street Primary School - MUSIC - progression through EYFS

Playing & Exploring - Performance and Composition	Active Learning - Motivation	Creating & Thinking
<ul style="list-style-type: none"> • Reading and understanding music notation • Performing / singing together • Playing from notation and memory • Playing from aural cue • Being willing to 'have a go' 	<ul style="list-style-type: none"> • Being involved & concentrating • Keep on trying • Enjoying achieving what they set out to do • Self assessment to improve next time 	<ul style="list-style-type: none"> • Having their own ideas (creative thinking) • Making links (building theories) • Working with ideas (critical thinking) • Creating their own music

ELG
- Safely use and take care of musical instruments
- Share their creations, explaining the process they have used, both musically and sonically
- Make use of instruments and vocal sounds to produce different effects when role-playing characters in narratives and stories

Focus	Listening	Performing	Singing	Technical Skills	Composition	Vocabulary- To be used daily.
Nursery Disciplinary Knowledge	<ul style="list-style-type: none"> • Copying and joining in with a performance * "Say as you play" - the children copy then verbalise their instrumental performances. 	<ul style="list-style-type: none"> • Read and play various note values to create 1 bar rhythms • Use available resources to create "instruments" to produce various sounds 	<ul style="list-style-type: none"> • Sing various songs of different speed and dynamic variation * Listen with intent to a song and explain the tempo / dynamic variances 	<ul style="list-style-type: none"> • Develop a greater sense of timing through vestibular learning, internal and external rhythms. • Use of instruments to create a specific sound 	<ul style="list-style-type: none"> • Create sounds to depict elements within a story. * Put together different sound ideas to create a linear narrative. 	Like/ dislike Loud / Soft Fast / Slow Composition Play / Read Tom / JoJo / Rest
Nursery Substantive Knowledge	Autumn 1 Reading, Understanding and performing basic notation	Autumn 2 Playing and Singing as a band	Spring 1 Funky Junk and Singing	Spring 2 Funky Junk and Singing	Summer 1 Practical Skills and Singing Development + Improvisation	Summer 2 Composition
	<ul style="list-style-type: none"> • Can understand Tom / JoJo rhythms * Can follow and join in after a "count-in" * Can clap, plus use and care for basic hand percussion 	<ul style="list-style-type: none"> • Can draw a range of symbols to depict a sound * Can sing and follow the shape of a melody. 	<ul style="list-style-type: none"> • Creating sounds from different household items * Choosing sounds to create an effect (dynamics and tone) * Changing between percussion and singing 	<ul style="list-style-type: none"> • Singing and playing percussion simultaneously * Changing dynamics to create an effect whilst singing 	<ul style="list-style-type: none"> • Self evaluating for improved performance: "How can we make this music better?" * Singing with greater pitch accuracy and dynamic control * Beginning to improvise (compose) 	<ul style="list-style-type: none"> * Can sequence basic note values of Tom and JoJo * Can follow the drum leader to create an improvised piece

Children to be exposed to key vocabulary daily in provision. High quality resources will be provided for daily accessibility. Funky Junk Drums / Boom Bottles / Wood Blocks and outdoor provisions will provide a wealth of opportunity. Resources will be enhanced and developed as children develop their skill set.

<p>Experiences Lessons and performances from external Music specialists Story-based lesson system in Autumn 1 Christmas themed percussion / song performance</p>	<p>SMSC Moral – children are taught how to look after their instruments during percussion activities. Social - Children discuss the importance of working as a team in a band Social - Children discuss supporting each other to improve performances</p>	<p>British values Individual liberty is taught when children begin to express their feelings and understanding. Respect is taught when children are working collaboratively together.</p>	<p>WPAT/school values Resilience is taught when we do our best and don't worry about mistakes so long as we do our best. Responsibility is taught by looking after instruments Humility is taught by appreciating good work and effort from our band mates.</p>

KS1 Year A: Music Substantive and Disciplinary Knowledge Progression	
<p>KS1: POS</p> <ul style="list-style-type: none"> • Introduction to Singing, Listening, Composing and Performing • Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression. • Improvise and compose music for a range of purposes using the inter-related dimensions of music. • Listen with attention to detail and recall sounds with increasing aural memory. • Use and understand staff and other musical notations. • Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians. • Develop an understanding of the history of music. • NOTE - These are all NC POS - We will cover all these to an advanced level due to previous learning, skills and knowledge gained in EYFS. 	<p>Listening</p> <ul style="list-style-type: none"> • Listening to African Music and describe how it makes us feel, plus talk about its tempo as fast / slow / happy / sad. • Identification and copy of a simple rhythm by ear. • Aural Identification of rhythms within a written score. • Ability to listen to a pop track, find the beat, and drum / clap along with a simple rhythm. • Understanding pitch and size of instrument correlation - can we start to predict what it might sound like based on the size? • Exploring timbre and instrument material correlation - can we start to predict the sound of a percussion instrument based on what it is made of? • Identification of a rhythm by ear and immediate recall performance with accompanying chant. • Aural Identification of rhythms within a written score.
<p>Composing</p> <ul style="list-style-type: none"> • Rearranging rhythmic elements to create new ones (rhythm cards). • To be able to draw basic note and rest values clearly. • Identification and copy of a rhythm by ear. • Composing a performance piece using various Funky Junk. • How to compose rhythmic sections of music to build into a verse / chorus. 	<p>Performing</p> <ul style="list-style-type: none"> • Singing a 5 note major scale, ascending and descending along with an instrumental guide • How to "warm-up" our voice to look after it (Horse Sounds = Lip Trill and "Squeaky Door" exercise) • Children can sing together, following the shapes of pitch and rhythm with care • Take part in a variety of singing exercises and songs. • Demonstrate an ability to vary the pitch of the voice to follow the shape of the melody. • To start to work on vocal technique for improving tone = "a better sound" - ("one two thray four fahv") • Djembe Techniques of Bass and Tone and reading Djembe score. • Djembe Technique and reading Djembe score. • To learn a variety of simple through to more advanced traditional African rhythms. • To perform multiple rhythms within larger musical works. • How to follow a Drum Leader. • To perform a written percussion part from written score along to a pop track. • How to start (count-in) and end a performance (auditory and visual cues) together. • Compose, notate (write), read, understand and perform 2 bar rhythms of multiple note / rest values, using names of Tom, JoJo, Caterpillar and Rest. • Choose and use a variety of house-hold items (Funky Junk) to create rhythmic music of various timbres and pitches, whilst chanting the rhythm names ("Say as you Play") or co-ordination (eg "RLRL") to learn

	<p>them faster and through vocalising these rhythms, ensure more accurate and synchronised performances.</p> <ul style="list-style-type: none"> To follow conductor instructions regarding tempo and dynamics during vocal practice.
<p>Disciplinary Knowledge</p> <ul style="list-style-type: none"> Children will develop a basic understanding of the cultural importance of Djembe (used in celebration and coming together in peace). Children will learn where the name Djembe is said to come from: Anke Dje, Anke Be = Everyone come together in peace. The children will learn that it is said that the Djembe originated in Mali in Africa. Children understand what "The role of the Maestro - The Drum Leader in Samba". Samba is celebratory music and dance from Brazil. Samba is played on percussion instruments. The main instruments of Samba include Repique, Sudro and Tamborim. Samba is taught mainly through call and response. A Samba band is called a Bateria. "Breaks" are used to chop up the music into sections. Unison means performing all together, not as separate parts. 	

KS1 Year A – End points	
Performance	<ul style="list-style-type: none"> AUTUMN - The children will play Djembe as an ensemble along with popular music backing tracks with good instrument technique and more confidence. AUTUMN - The children will be able to produce clear sounds from the Djembe (Bass & Tone) by using appropriate technique. SPRING - Children will understand, read and perform rhythmic patterns from written music notation and perform them accurately and fluently. SUMMER - Be able to use singing voice to repeat back given note sequences.
Composing	<ul style="list-style-type: none"> AUTUMN TERM - Compose rhythmic patterns using components such as quarter notes, eighth notes, sixteenth notes and rests with accurately drawn representation of notes. SPRING - Children will compose rhythms and perform them using their instruments with increasing technical skill and knowledge of sound production. . SUMMER - Children will be able to create rhythmic sections for a verse / chorus and simultaneously chant (say as you play) the rhythm from a written score.
Listening	<ul style="list-style-type: none"> AUTUMN - Children will be able to listen to and copy a rhythm back by ear. SPRING - Children will be able to find the pulse of popular music and clap along to the beat. SUMMER - Children will be able to identify the first 5 degrees of a scale pattern and sing them back with greater accuracy.

Experiences	SMSC social moral spiritual cultural	British values	WPAT/school values

UKS2 Year A: Music Substantive and Disciplinary Knowledge Progression	
<p>KS2- POS</p> <ul style="list-style-type: none"> • Singing, Listening and Performing. • Play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression. • Improvise and compose music for a range of purposes using the inter-related dimensions of music. • Listen with attention to detail and recall sounds with increasing aural memory. • Use and understand staff and other musical notations • Appreciate and understand a wide range of high-quality live and recorded music drawn from different traditions and from great composers and musicians develop an understanding of the history of music. • Develop an understanding of the history of music. 	<p>Listening</p> <ul style="list-style-type: none"> • Identifying the family of instruments by ear - example Brass, Strings, Percussion, Wind. • Working out a simple 3 note melodies by ear on guitar
<p>Composing</p> <ul style="list-style-type: none"> • How to write the 8 notes of a C major scale on the staff, using a 4/4 Time Sig. • How to compose a melody using notes of the E minor pentatonic scale. • How to harmonise their composition by putting in power chords of E minor and A minor. • How to change the feel of an accompaniment by changing the note values within it and the dynamic performance of it. • How to put (compose) a melody to chords of E minor, A minor, G, D5. 	<p>Performing</p> <ul style="list-style-type: none"> • How to play a simple tune on recorder using 5 notes. • Improvise a melody on the acoustic guitar using the scale E minor pentatonic. • How to strum a chord using various strum rhythms of various note lengths. • How to change the feel of an accompaniment by changing the strum pattern within it and the dynamic performance of it.
<p>Disciplinary Knowledge</p> <ul style="list-style-type: none"> • To explain the relationship between pitch and instrument size (large = ability to play a deeper pitch). • Range is the specific selection of notes from low to high that an instrument (inc voice) can perform. • What is the effect of fretting (shortening) the string in comparison to plucking an open string? (it changes the pitch) • How to strum a simple chord. 	<p>Singing</p> <ul style="list-style-type: none"> • How to sing from a score, following the shape of the music (5 notes C D E F G), gradually increasing throughout the year to an 8-note melody (C D E F G A B C) • Singing as part of a multi-instrument ensemble, keeping focus on our part

UKS2 Year A – End points	
<p>Performing</p>	<ul style="list-style-type: none"> • AUTUMN - Children will be able to sing first five notes of the major scale using the scale degrees as lyrics • AUTUMN - Sing full octave of C major scale.

	<ul style="list-style-type: none"> • AUTUMN - Children will be able to perform 5 note (C D E F G) melodies on the recorder, reading from music notation and from aural cues. • SPRING - Will be able to read and understand guitar tablature notation (TAB) and perform a melody along to a backing track. • SPRING - Will be able to perform the "spider" exercise to show developing skill and accuracy of playing • SUMMER - Will be able to play both open strings and fretted strings • SUMMER - Children will be able to perform simple 5 note melodies along to backing tracks using the acoustic guitar and keyboard with accuracy. • SUMMER - Perform "pop" songs on the guitar accurately, fluently with good technique. Children can perform 2 different strum patterns on guitar
Composing	<ul style="list-style-type: none"> - AUTUMN - Compose melodies using the first 5 notes of the C major scales (C D E F G) on Keyboard - SPRING - Compose melodies using the E minor Pentatonic scale on Guitar - SUMMER - Be able to harmonise their composition with chords of E minor and A minor on Guitar - SUMMER - Be able to change the feel of a piece of music via the strumming pattern, dynamics or by changing the note values within it. • SUMMER - Compose a chord sequence with a tune, with multiple sections of verse / chorus etc.
Listening	<ul style="list-style-type: none"> - AUTUMN - The children will be able to work out a 3-note melody by ear on Keyboard - AUTUMN - Children will be able to identify the main Orchestral Families of Strings, Wind, Brass and Percussion by sound and sight. - SUMMER - Children will be able to identify a range of instruments by ear including Orchestral and the basic instruments of a band including Bass, Guitar, Drums, Piano and Voice. • SPRING - Will be able to copy a strum pattern on guitar

<p>Experiences Performing as a group / ensemble, being creative with sound and using it as a material to build and create musical ideas which result in compositions.</p>	<p>SMSC Social – Being in a band (working together).</p>	<p>British values Individual liberty is taught when children begin to express their feelings and understanding. Respect is taught when children are working collaboratively together.</p>	<p>WPAT/school values Resilience – during rehearsal, we discuss keeping on trying and never giving up even if the task gets tricky. Honesty – during the evaluation stages we discuss being honest with ourselves (self-reflection) and others to ensure we can improve ourselves and our work. Respect – Will discuss respecting (taking care of) musical instruments and ensuring to listen and be open to others' ideas and musical contributions.</p>
