

## Helping Children to Stay Safe during Live Lessons

Only ever use school registered accounts (@evelynstreetschool.co.uk)

Staff will only use Google Meet for live lessons

Ideally, there will be two staff members per live lesson: one to offer support

Staff will not allow access to anyone not known to the class, or using a personal email

All live lessons will be scheduled in advance and times stated on daily timetables

Staff will arrive before the start time and be the last to leave

Live lessons should be kept to a reasonable length of time

Staff and children must wear suitable clothing, as should anyone else in the household

Appropriate language to be used at all times, including any family members in the background
