

Live Lesson Etiquette

When taking part in live lessons, it is important that you follow these rules to make sure that you and your classmates can follow the lesson easily.

Be On Time

Be on time and prepared with your device charged.
Make sure you stay online for the whole session.

Mute Yourself

Mute yourself right away to eliminate background noise. This also ensures that your classmates can't hear anything that is going on at home.

Presentation

Consider your surroundings and attire. Find a good spot in the house with few distractions and make sure you're wearing something appropriate for school.

Headphones

Use headphones if you have them: this will help to avoid disturbing others.

If your headphones or earbuds have a microphone, even better!

Chat Responsibly

Use the chat function responsibly.

Only type when needed so the teacher can respond to questions promptly.

Signals

Use hand signals:

thumbs up/down = yes/no

raise hand = have a comment
