“Honesty, resilience, humility, responsibility”

Parent Governor... we currently have a vacancy to join our Governing Body as a Parent Governor. If you would like more information please express your interest by contacting Mrs Smith via the school office. Thank you

Bags 2 School... We are once again working with the company, Bag 2 School. Your child will be coming home today with a plastic bag which we are asking families to fill with any unwanted clothes. Bag 2 school will then pay us per kilo, so the more you donate the more funds we raise! They are asking for the following items: Men’s, ladies & children’s clothing, paired shoes, handbags, belts and accessories. (no uniforms, work wear, bed linen, curtains, towels). This is an easy and effective way to raise money for our school so please pass this information onto families and friends so we can collect as many donations as possible! Thank you for your support! If you are able to help please drop your bag off on Wednesday 18th May. Thank you.

We are proud to announce that Nursery have been awarded the Wild Challenge Bronze Award in recognition of all the fantastic things they are doing for nature. Well Done.

Thank you to everyone who took time to complete our latest Parent Survey. We received many positive comments and the results give us much to celebrate. The results have been discussed and shared at the last Governor’s meeting and with staff so that we can make provide the best possible education for all our children. Parental suggestions are very much appreciated and will be considered as we set our school development priorities for the future. Feedback included the following:

- “My child is happy in Evelyn Street.”*
- “Issue of people parking on the yellow zig zags and appearing to not be dealt with.”*
- “School events, parent’s evenings and PTA are all scheduled at times when working parents struggle to attend, often with very little notice.”*
- “Please remember the staggered entry/exit – it is a nightmare when you have more than one child to sort out. Even if you keep it how it is please consider allowing siblings to enter at the same time, especially when the weather is awful.”*
- Staff and teachers are nice and good. There are various school activities e.g. swimming and cycling, that makes children well involved in school and learning happily Thank you (especially Spanish lessons)”*
- “Thank you very much for everything!!”*
- “I am satisfied and happy with the school and my child’s progress.”*

Over the next few weeks we will address the issues that have been raised. Starting with comments around parking we have contacted our local PCSO to highlight your concerns and staff now monitor the situation at drop off every morning. In addition to this Mrs Stott is working with our Mini Police Officers who are actively involved in monitoring cars and how they are parked around Evelyn Street. In addition we regularly remind parents of the importance of parking and driving considerately via our weekly school newsletter.

PE Kits... please ensure your child’s PE kit is in school every day. Children may be expected to change into their Kits for a variety of activities. Thank you

Family/Parent Welfare Information... We have a supply of newborn baby milk that needs to be used before August. We have a number of different brands so please come and take advantage of some freebies if you need it!! We also have some other items from school uniform to hygiene products.
